IMPORTANT

Reimbursement. Reimbursement for taxes paid in 2005 is 90% of the amount paid on eligible property.

Tax Increment Financing ("TIF"). All businesses that receive TIF reimbursement on personal property and are also applying for BETR must complete the worksheet located at www.maine.gov/revenue/forms/betr/BETR_WS.pdf

Business Equipment Tax Reimbursement ("BETR") phase out. 36 M.R.S.A. §§ 6651 & 6652. Eligible business equipment first subject to assessment on or after April 1, 2008 will be exempt from Maine personal property tax. Eligible business equipment is property that would have ordinarily qualified for BETR reimbursement, except for equipment located at certain retail facilities. Eligible business property first placed in service after April 1, 1995 and on or before April 1, 2007 continues to qualify for BETR. Eligible property placed in service by certain retail facilities after April 1, 2007 will also be eligible for BETR. In addition, the BETR reimbursement period is expanded indefinitely beyond 12 years, with a 75% reimbursement rate for eligible property taxes paid in the 13th reimbursement year. The reimbursement rate is further reduced by five percentage points annually beginning with the 14th year of BETR reimbursement

until the rate is 50% for years beyond the 17th year of reimbursement for each piece of eligible property. The reimbursement rate for years 1 through 12 for each piece of eligible property is 100%, except that for reimbursements issued with respect to eligible property taxes paid during calendar year 2005, the rate is 90%. Also, for property first subject to property tax assessment on or after April 1, 2008 and for property for which BETR reimbursement has previously been paid by the state for at least 12 years, the total of the BETR reimbursement and any Tax Increment Financing ("TIF") reimbursement on the property cannot exceed the total property tax assessment on that property for the year for which BETR reimbursement is requested. The BETR reimbursement with respect to that property must be reduced by the total BETR/TIF reimbursement on the property that exceeds the total tax assessed on the property. See LD #2056, PL 2005, c. 623 and "Tax Law Changes" located at www.maine.gov/revenue.

Economic Development Incentive ("EDI") Report. Applicants who received a refund of \$10,000 or more in calendar year 2005 who fail to file an acceptable EDI report with the Department of Economic and Community Development ("DECD") within 180 days of filing a claim under the BETR program will forfeit the BETR reimbursement. EDI reports were mailed May 2006 to businesses required to file the report. The reports are due August 1, 2006.

IMPORTANT INFORMATION:

THINGS TO KNOW:

Applications are not complete if all required information is not provided or all schedules and notifications are not attached. To be considered complete, an application <u>must</u> include the following:

- ☐ A completed Form 800;
- A completed Form 801;
- A copy of the <u>tax bill</u> for eligible property; and
- Proof of payment (dated receipt or copy of <u>cancelled</u> check).

An incomplete application <u>cannot</u> be processed for reimbursement. Applications incomplete on or after the due date will be denied.

- ✓ Lessors that have received reimbursement under the BETR program for taxes assessed on or after April 1, 2004 must reimburse the lessee for any portion of that reimbursement relating to property taxes previously paid by the lessee.
- Only the entity or individual against whom the property tax assessment is made may apply for reimbursement.
- Form 800 cannot be photocopied. Only an original form may be submitted.
- A substitute Form 801 may be submitted if it includes all the information requested on the State Form 801. If all of the information is not provided, the substitute Form 801 will be rejected.

Businesses that do **Not** Qualify for BETR:

- Public Utilities.
- Certain energy facilities including most natural gas pipelines and property used to produce or transmit energy primarily for sale.
- Businesses that provide radio-paging services.
- Businesses that provide mobile telecommunications services.
- Cable television companies.

- Businesses that provide satellite-based direct television broadcast services.
- Businesses that provide multichannel, multi-point television distribution services.
- Businesses that have <u>ceased all productive operations</u> on April 1 of the assessment year and for the 12-month period immediately preceding application for reimbursement. This rule does not apply if the owner can demonstrate a good faith effort to sell the property (effective for assessments made on or after April 1, 2002).

Property that does Not Qualify for BETR:

- Land or buildings.
- Property attached to a building that serves the building rather than the particular business activity.
- Office furniture or light fixtures placed in service after April 1, 1996.

The definition of retail facility does not include call centers, warehouses and entities that derive less than 50% of sales from items subject to the Maine sales tax. Retail property previously eligible under the BETR program as it existed on April 1, 2006 will continue to
- be eligible for reimbursement unless that property becomes ineligible for some other reason. See 36 M.R.S.A § 6652(1-D).
- Property entitled to an exemption as a qualifying pollution abatement facility under 36 M.R.S.A. § 656(1)(E) unless the property was placed in service after the December 1 immediately preceding the property tax year for which reimbursement is requested and the property has not yet been certified for exemption.
- Gambling machines or devices for property tax years beginning on or after April 1, 2004.
- Vehicles registered for on-road use on which an excise tax has been paid or on which a property tax has been applied as a credit against excise tax.

GENERAL INSTRUCTIONS

WHO MAY APPLY. Any business taxpayer assessed and paying the personal property tax on eligible business property first placed in service in Maine (either by the current owner or previous owner) after April 1, 1995 may apply for a reimbursement of the property tax paid.

"Eligible property" means qualified business property first placed in service in Maine after April 1, 1995. Property first placed in service in Maine prior to April 2, 1995 (whether by current or previous owner) does not qualify for reimbursement.

Eligible property includes construction-in-progress commenced in the state after April 1, 1995, repair and replacement parts, improvements, and inventory parts. Construction-in-progress prior to April 2, 1995, that was previously eligible for reimbursement in 1996, remains eligible for reimbursement.

"Qualified business property" means property used or held exclusively for a business purpose and subject to an allowance for depreciation or, in the case of construction-in-progress or inventory parts, would be subject to an allowance for depreciation when placed in service.

Qualified business property does not include land or buildings; however, it does include property affixed or attached to a building or other real estate if it is used to further the particular trade or business activity taking place at that location. It does not include components or attachments to a building if used primarily to serve the building (for example, standard heating, air conditioning, plumbing and lighting systems). It also does not include land improvements typically made to further the use of the land (for example, driveways, parking lots or fences).

The reimbursement is not allowed for office furniture (such as tables, chairs, desks, bookcases, filing cabinets and modular office partitions) or lamps and lighting fixtures placed in service after April 1, 1996.

The reimbursement is not allowed for gambling machines or devices placed in service on or after April 1, 2004.

BETR & TIF overlap. The Business Equipment Tax Reimbursement ("BETR") application contains a checkoff box to indicate if an applicant is also receiving a benefit under a Tax Increment Financing ("TIF") agreement. All BETR applicants who are also receiving TIF benefits must complete a worksheet located on the MRS web site at: www.maine.gov/revenue/forms/betr/BETR_WS.pdf See 36 M.R.S.A. § 6664.

COGENERATION FACILITIES. Reimbursement for cogeneration facilities is based on the energy produced during the property tax year <u>preceding</u> the property tax year for which a claim is made.

ASSESSOR NOTIFICATION (Form 801). Before filing a request for reimbursement, you must notify the local tax assessor of your intent to claim reimbursement of property tax. Form 801 is provided for this purpose. You may use your own schedule as a substitute for Form 801, as long as it provides all of the required information. The assessor notification must contain a list that provides a detailed description of property you believe is eligible business property, the state of origin for used property, the number of years the property has been claimed under this program, the date the property was placed in service, and the original cost. Also, the assessor notification must include a request that the assessor of the taxing jurisdiction provide a statement identifying the assessed value of the eligible business property for which the taxpayer will be requesting reimbursement, the property tax rate, and the assessed tax amount. See instructions on page 4.

CONSOLIDATION SCHEDULE. If your business has eligible property located in multiple municipalities, you are required to complete a consolidation schedule to request reimbursement. The consolidation schedule is on the reverse side of Form 800. See specific instructions on page 4 for filing the consolidation schedule. An electronic version of the consolidation schedule is now available in the form of an Excel spreadsheet file. To request to have the file emailed to you, contact Maine Revenue Services at *income.tax* @maine.gov.

EXTENSION TO FILE. An extension of time to file through March 5, 2007 may be granted for "good cause." A request for extension of time to file must be made in writing to the address listed under "WHERE DO I FILE?" below. The request must include the applicant's full name, address and federal EIN; the amount(s) of property taxes paid in 2005; the date(s) property taxes were paid in 2005; and the reason an extension

is being requested. By law, extensions may <u>not</u> be granted beyond March 5, 2007 for any reason.

ROUND TO WHOLE DOLLARS. Round the money items on your application and consolidation schedule to whole dollars. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or greater.

WHERE DO I FILE? Mail your completed application along with the Assessor Notification (Form 801), a copy of your tax bill, proof of payment and BETR/TIF worksheet (if necessary) to:

Maine Revenue Services Income/Estate Tax Division P.O. Box 9107 Augusta, ME 04332-9107

Two return address labels have been included for your convenience.

AMENDED APPLICATION. Amended applications are not necessary for any reason other than if the property tax is reduced or abated after a claim for reimbursement has been filed. An amended application for reimbursement must be filed within 60 days after receipt of the reduction or abatement.

Prior reimbursement of property tax that has subsequently been reduced or abated must be repaid to Maine Revenue Services with the amended application. Make your check payable to: Treasurer, State of Maine.

If you fail to repay a refund within the 60-day period, Maine Revenue Services may issue an assessment for the balance due plus interest and penalties.

The interest rate is set annually by Maine Revenue Services and runs from the original reimbursement date to the date of repayment.

The penalty for failure to file the amended application is \$25 or 10% of the amount of the balance due, whichever is greater. The penalty for failure to pay the balance due on time is 1% of the liability for each month the liability is late, up to a maximum of 25%.

WHERE DO I GET FORMS? You may download forms from the Maine Revenue Services web site at *www.maine.gov/revenue/forms*. Forms are also available at municipal offices, or by calling (207) 624-7894.
